

**Research Projects on the Leopold Memorial Reserve Overseen by  
Charles and Nina Bradley, 1977-1993**

\*=Master's degree, \*\*=Ph.D. degree

Archibald, Kyoko. 1982. A report to the Leopold Memorial Reserve regarding the Leopold fellowship program.

Bachhuber, Jim. 1978. Leopold Memorial Reserve vertical control stations and groundwater monitoring stations, locations, and elevations.

Berry, Wayne. 1990. Prickly ash density and distribution, LMR.

\*Boley-May, Susan. 1989. Bibliography of ecological effects of river flooding.

Bradley, Charles. 1977. Hydrometeorology report, October 1976-October 1977.

---. 1979. Bradley Study Center—quarterly progress reports, 1978-1979.

---. 1984. Bradley Study Center—quarterly progress reports, 1980-1984.

---. 1987. Bradley Study Center—quarterly progress reports, 1985-1987.

---. 1987. Doctor of the land—matter of degree.

---. 1989. Bradley Study Center—1989 report.

---. 1989. Report on the distribution of swamp white oak, *Quercus bicolor*, on the Leopold Memorial Reserve.

---. 1989. Buckthorn report.

Bradley, Nina Leopold. 1987. A sand county restoration.

---. 1987. Wild rye: Response to disturbance and behavior on restoration sites (Wisconsin).

Cates, Richard L. 1982. Field study of nitrous oxide emissions from agricultural and native-prairie lands.

\*\*---. 1983. [Field and laboratory studies of nitrous oxide production in soils.](#)

Freeman, Scott. 1980. Final report: The 1980 Leopold Reserve seminars.

Gibson, Robert L. 1980. Pond use by wildlife: Leopold Memorial Reserve.

- . 1980. Brood mortality in waterfowl related to overland distance travelled at Leopold Memorial Reserve.
- Green, Martha C. 1991. Report on the status of hydrogeological knowledge at the Leopold Memorial Reserve.
- Herrick, Bruce R. 1982. The dynamics of the soil surface in selected prairies of the Leopold Memorial Reserve.
- Hickey, Margaret B. and Margaret Clark Brittingham. 1991. Population dynamics of blue jays at a bird feeder.
- Hilsenhoff, William L. and Leonard Huebner. 1993. Dytiscidae and Noteridae of Wisconsin (Coleoptera).
- Holtz, Signe L. 1985. Cutting and burning a degraded oak barrens.
- . 1985. Seed bank of Frank's Prairie and the treatment site.
- \*Hunt, Randall James. 1987. A survey of the hydrogeochemistry of the Leopold Memorial Reserve, Baraboo, Wisconsin.
- Karasov, William. 1987. Third semiannual report to the Sand County Foundation: Research program in animal energetics at the Leopold Reserve and University of Wisconsin Department of Wildlife Ecology.
- Knight, Richard L. 1982. Nest defense, an aspect of parental care in the American goldfinch.
- . 1982. Nest placement and nest success in the American goldfinch.
- \*\*---. 1985. [Nest defense behavior in altricial birds.](#)
- Knight, Susan K. 1983. Patterns of parental feeding and effects of asynchronous hatching on growth of nestling songbirds.
- . 1985. Growth and survival of nestlings in synchronous and asynchronous broods of American goldfinches.
- \*\*---. 1986. [Asynchronous hatching and food provisioning of nestling songbirds.](#)
- Knoop, Jeff. 1983. Oak barren ecology and management, prairie restoration evaluations, and additional notes.
- Larson, Thomas J., Orrin J. Rongstad, and Franklin W. Terbilcox. 1978. Movement and habitat use of white-tailed deer in south-central Wisconsin.

Leopold, Susan. 1980. Painting on the Leopold Memorial Reserve.

Liegel, Konrad. 1981. The vegetation of the Aldo Leopold Memorial Reserve, Sauk County, Wisconsin, during the Late 1930's.

---. 1982. Land use history of the Leopold Reserve.

Luthin, Charles S. 1977. Ecological considerations and techniques of prairie restoration.

---. 1978. An initial study on the recovery of vegetation disturbed by grazing.

---. 1979. The Aldo Leopold Memorial Reserve herbarium—a complete listing of specimens represented in the Reserve plant collections of 1938-40 and 1978-79.

---. 1980. Plant communities of the Aldo Leopold Memorial Reserve, Sauk County, WI.

Mossman, Michael and Jonathan Reed. 1978. Breeding bird survey of the Leopold Memorial Reserve.

---. 1978. Bird use of wildlife ponds and wood duck nest boxes, April-July 1978.

---. 1979. Mammal records from the shack journals of Aldo Leopold and family, with a discussion of organizing observational records on the Leopold Memorial Reserve, Sauk County.

---. 1980. An ecological survey of small mammals on the Leopold Memorial Reserve, Sauk County, Wisconsin.

Nording, Jay G. 1990. Temperature and humidity comparison of four wood duck nest types.

Reed, Jonathan R. 1978. Parity in the feeding of song sparrow nestlings.

---. 1981. Song sparrow "rules" for feeding nestlings.

Sharp, Susan E. 1985. A detailed study of soil and plant relationships on the Leopold Memorial Reserve and an evaluation of the potential water erosion on fields in agricultural crop usage.

\*Socha, Betty Jean. 1984. The glacial geology of the Baraboo area, Wisconsin, and application of remote sensing to mapping surficial geology.

Stevens, Michelle. 1983. Preliminary report—shrub encroachment of wetland communities—Leopold Memorial Reserve.

\*---. 1984. Disturbance Variables of shrub encroachment—Leopold Memorial Reserve.

Swanson, Chris. 1989. Research project pond hydrology and ecology.

Tohulka, Mark. 1979. The 1979 census of reptiles and amphibians on the Leopold Memorial Reserve.

\*\*Winkler, Marjorie Green. 1985. [Late-glacial and Holocene environmental history of south-central Wisconsin: A study of upland and wetland ecosystems.](#)

Winkler, Marjorie Green. 1985. The paleoenvironmental history of the Aldo Leopold Memorial Reserve, Sauk Co., Wisconsin.

---. 1989. Checklist of insects at the Leopold Memorial Reserve.

---. 1989. Aquatic Insects of the Ponds of the Leopold Memorial Reserve.

---. 1989. Checklist of Elateroidea of the Leopold Memorial Reserve.

Zolidis, Nancy Ritter. 1985. Hydrogeology of the Leopold Reserve—preliminary report, March 1985.

\*---. 1987. The hydrogeology of the Leopold Memorial Reserve.
